Klingande, Pumped Up

All the other kids with the pumped up kicks You better run, better run, outrun my gun?

i know a story about boy about a boy I used to know it's kind of funny you'd never guess as he smokes a cigarette

I used to lie
I couldn't've shown this kid the road
follow the lines
instead of doing this alone
and he was singing

All the other kids with the pumped up kicks You better run, better run, outrun my gun? All the other kids with the pumped up kicks You better run, better run, outrun my gun?

I saw his face from behind the door a look so pure, I couldn't sworn it's not so funny it's just a mess another cowboy in distress

I used to lie
I couldn't've shown this kid the road
follow the lines
instead of doing this alone
and he was singing

All the other kids with the pumped up kicks You better run, better run, outrun my gun? All the other kids with the pumped up kicks You better run, better run, outrun my gun?
