

# Klubbingman, No limit on the beach

The sun's shinin' here and stayin'  
kiss my lipses holiday  
There's no limit on the beach,  
nothing - we can't reach.  
here I am to set you free,  
take a chance to fall or win  
There's no limit on the beach,  
nothing - we can't reach.  
No limit, no limit, no limit on the beach.  
C'mon here we go!  
Don't stop the beat, yeah!  
C'mon here we go  
No limit, no limit, no limit on the beach.
