

# Klymaxx, I'd Still Say Yes

I love you most when we share a place  
Those special good times together  
It seems like our love, can't get much better(no)  
'Cause we were as close as two could be  
We knew love could last forever  
We're more than just lovers  
We're good friends

And even if our love has drift away  
I wouldn't even think twice  
If I wanted love back again

Because I'd still say yes to you again  
My darlin' for you, I'd do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I'd do it over and over again  
(Say yes...ooohh)

Where does it go, how does it end  
True love it seems so easy  
'Cause we have no doubts  
Where we belong (where we belong)

They say time can heal a broken heart  
True love never ends  
So why not start where we begin

Because I'd still say yes(say yes) to you again  
My darlin' for you, I'd do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I'd do it over and over again  
(Say yes, over and over...heeeeee...say yes...say yes..ooohhh)

They say time can heal a broken heart  
True love never ends  
So why not start where we begin(let's start where we begin)

Because I'd still say yes to you again  
My darlin' for you, I'd do it all again  
Yes, I'd still say yes to you again  
Darlin' for you, I'd do it over and over again  
(Over and over...say yes, say yes...oh, girl...say yes)  
Say yes, to you again  
Darlin' for you, I'd do it over and over again (say yes...ooohh)
