

# KMFDM, Conillion

Humping up and jacking down  
Loving can be an art  
Lie on your back  
Loving can be an art  
I can make you go snap snap snap  
Loving can be an art  
And we can hear it go crack crack crack  
Loving can be an art  
Hunt it down and rip it off  
Loving can be an art  
I can eat your tricks like this  
Loving can be an art  
Its nothin  
Its nothin  
Lie on your back  
I can hear it go snap snap snap  
God I feel Healthy  
God I feel fine  
That little Conillions mine mine mine  
Dont worry about me  
Theres plenty of time for everything
