

KMFDM, From Here On Out

Caught a glimpse of madness
Virtual circus
It's a long way down
Hollow no protection
Kick
You can scream
Walk your wicked way
Never getting what you need

Want what you want
When you want it
Want what you want
When you want it
Dig me out

No mercy
You are what you believe
And you are incomplete
Do as you please
Do what you will
Hang your head in shame
Never getting what you need

Don't risk your life and the lives of your comrades
Leave now and go home
Watch your children learn
Do not invite your own destruction
This is a road of no return

As the kingdom crashes
Cause of actions
You're a hangman now
Swallow dust and ashes
Wish you can dream
Shout your maniacal pleas
Never getting what you need

From here on out
