KMFDM, Search And Destroy

Will We Close Our Eyes Will We Fall For Those Lies Or Will We Make The Conclusion That This Life's A Delusion

Will We Do What We're Told 'til The Day That We're Sold Or Will We Raise Our Voices Make Alternative Choices

What's Up

Our Silence Is Death We Shall Resist The Violence And We'll Never Give Up Only Death Is Silence

Are We Victims Or Winners Believers Or Sinners Do We Sit In The Saddle Or Are We Just Cattle

Are We Wretched Or Bold Are We Garbage Or Gold Can We Make The Right Call Can We Change It At All

Acceptance Is Surrender Vile And Vicious Slander We Don't Want To Be Ruled By A Handful Of Fools
