

Knave, Taunt & Tether

If it's up to me, you can tie my hands
Push me down so I cannot stand
Bring whips and chains, I like it that way
I am not what you think I am

Fall into me
We'll be forever
Take hold of me
We'll taunt & tether

Cause what is mine, I'm not really sure
Take my body from being pure
Before we begin, let me make myself clear
I am not what you think I am
For hours on end, we toil and mend
Fall into me attentively
Cause what is mine

Fall into me
We'll be forever
Take hold of me
We'll taunt & tether
Fall
In
To
Me

Fall into me, we'll be forever
Fall into me
Take hold of me
Taunt and Tether

Fall into me
We'll be forever
Take hold of me
We'll taunt & tether
