

# Knightowl, Here Comes The Knightowl

(Chorus 1)

Here Comes The Knightowl... Knightowl  
(2x)

(Knightowl)

Bring em all around  
Say you wanna battle me  
Did you want to get down  
They flip when I wanna trip  
With my clip  
Shootin em down to ground  
Everybody knows I gotta gun that'll never miss  
Put em in a line bet I make a rhyme  
Swing like me fist  
I'm ready to blast them rap boys out last em  
Todos saves simon that'll I pass em  
Vatos crumble and mumble then rumble  
Cause I'm droppin my shit like a fumble  
Back with another style on the microphone  
I'ma rip it up, so I think that you better go  
Soy mexicano, loco vato, maitone, marijuano  
Some say that I'm nuts  
They say cause I'm splatterin guts

(Chorus 2)

Oh, oh, Knightowl  
(2x)

(Chorus 1) - (2x)

(Knightowl)

Smokin, I was in a mind  
With a new style that I put the rhyme  
When I'm rappin on the microphone  
All the fools know what time  
It's is, diggin up a grave, foo, nedzales  
I'm packin up, think, boy your rap stink  
Cause they wanna battle but the man will sink  
Headbutt em, I gut em, the bitches I nut em  
A knife in the pansa, The Knightowl will cut em  
To those actin bad like a nose I'ma pick em  
Blast em and after they die I'ma kick em  
Put em on the ground  
Hit em with a sound, that is gonna rock you  
Incuse you don't like a jam that'll I make, vato well fuck you  
The man, is back, attackin to those that are steppin  
The Knightowl is packin a weapon

(Chorus 2) - (2x)

(Chorus) - (2x)

(Knightowl)

Gotta em on the run, putas I'm back  
Never try to box the sureno that is on the mic  
That is gonna burn em up like rocks  
Now know that I'm on the go  
Will your stero bump homie  
Bitches on my jock like they know me  
Penso mucho los dias que tunno ven deiste  
When I was broke to de quieste  
Now I'ma get em, putas I'm wit em  
Many will come around, when I spit em, the rythme  
Better get away, when I'm in a mood to spray

Lots of putos fall, un cyclone bein cavorne that'll make em crawl  
La pistola swuena, cervalasos trena, yo los temmo
