

Knowdaverbs, god is big

(talking) (echos)

Hello... (hello, hello)(are you out there?)

Do you understand the magnitude of the magnificence of the God we serve?

He's so huge, His mere words speak things into existence (What?)

He's so big it's mind boggling (Whoa)

There's no way around it, Ha ha ha ha ha

(HOOK)

God is big (huge)

Moves through any place

God is so large He could swallow the outer space

God is big (huge) big (huge)

God (God) is (is) big (huge)

God is big (huge)

From the start to the end

God is so large we find it hard to comprehend

God is big (huge) big (huge)

God (God) is (is) big (huge)

(VERSE 1)

Bigger than crime in ya city

Bigger than fiery darts

Bigger than projects and

Bigger Bthan trailer parks

He's bigger than a penthouse

Bigger than white lies

Bigger than green weed

Bigger than girls that I've *whistle sound*

He's bigger than wars at east

Bigger than wars at home

Bigger than your guns, blue steel or plated chrome

He's bigger than income from dumb illegal stuff

Bigger than anything that you have ever heard of

He's bigger than your news

Bigger than fatal sickness

He's bigger than the dopest DJ or the illest lyricist

Bigger than your cold nights or your darkest day

He's bigger than iMac bigger than Y2K

He's bigger than where you're from

Bigger than where you're workin'

He's bigger than Suburbans or the new Ford Excursions

He's bigger than success

Bigger than alienation

Cuz he'll rise to the occasion and revamp the situation

God is big!

(HOOK)

(VERSE 2)

Bigger than any phenomenal craze that tries to enter

Bigger than a PeeWee or a Pokmon adventure

He's bigger than the first edition cacktail (?) pages

And He's bigger than the pants worn by some ravers or some skaters

He's bigger than your first, second or third chances

He's bigger than the source that attacks your finances

Bigger than the dead ends in the tightest situation

Bigger than any wrestling or a boxing federation

He's bigger than anything you always thought you'd never be

He's bigger than the strife that enters souls of families

He's bigger than anything you'd often dub as a habit

Bigger than stinkin' thinkin' of "I'll always be an addict"

He's bigger than music business, facades, tricks 'n' fables

Bigger than the CEO at any record label

He's bigger than me being signed or your lack of patience
Bigger than program directors at any radio station
Bigger than the smarts encased in the brains of a genius
Bigger than any (???) four hours outta Phoenix
He's bigger than technology that's allowin' you to hear me
He's bigger than the "Is God Real?" scientific theory
He's bigger than any question you could ever have in your mind
He's big like the hope you thought you'd lost but never find
He's bigger than yes yes Hip Hop it never stops
Bigger than the heads of MCs who get way too many props
He's bigger than (Ah, what?) no nouns when He surrounds
Nothing's bigger than the name that death trembles when it's pronounced

(HOOK)

(HOOK x2 in a lower, echoed voice)

(HOOK x3)
