

# Knowledge, Gnat (I'm All Alone)

I'm all alone,  
I'm all alone,  
Sky is white,  
The pain is bright,  
And I wanna get stoned.  
I'm all alone.  
Destiny, My destiny,  
Dance with me, Dance with me, Destiny,  
Destiny, My destiny,  
No escaping that's for me,  
My mother moans,  
get off the phone,  
she don't like my fucking tone,  
Mama may have,  
and Papa may have,  
But god bless the child that's got his own,  
God bless the child that's got his own.  
i have been shown,  
My heart of stone,  
Feeling it in my broken bones,  
Love i can't have  
the dad i won't have  
the child was left here all alone  
i was left here all alone  
Destiny, My destiny,  
dance with me, dance with me, destiny  
destiny, my destiny,  
no escaping that's for me
