

Kodak Black, ZEZE (feat. Travis Scott & Offset)

ice water
turned atlantic
nightcrawlin' in the Phantom
told them hoes that don't you panic
took an island
flood the mansion
dropped the roof, more expansion

drive a coupe you can stand in
see the bitches undercover
I'm an ass titties love
guess we all made for each
now that all the dawgs free
and we out in these streets
can you do it
you pop it for me?
