

# Kodaline, Ready

You tell me that you're ready, but you just don't know  
My eyes are getting heavy and it's starting to show  
Never seen it coming, never seen a thing  
Maybe I'll get true whatever's coming to me  
I've been so lucky, I don't know what to say  
Running out of money I've been listening away  
I've never seen it coming, never seen a thing  
Baby I'll get true whatever's coming to me  
If we fall (we fall down)  
If we we fall (we fall down)  
If we fall down I'll be ready to crawl

I am ready, I am ready for it /2x  
I am ready , I am ready for it all

Look me in the eye when I'm talking to you  
It's easy to get nervous, I've been feeling it too  
It's kinda crazy, it's kinda dumb  
Never lift the pressure of a power of thumb

I'll show you Paris, probably set it to you  
Follow what you're loving, love what you do,  
Never let the pressure tell you that you're not  
Capable of anything that you want!  
If we fall (we fall down). If we we fall (we fall down)  
If we fall down I'll be ready to crawl

I am ready, I am ready for it /2x  
I am ready , I am ready for it all  
/4x

Look me in the eye when I'm talking to you  
It's easy to get nervous, I've been feeling it too  
It's kinda crazy, it's kinda dumb  
Never lift the pressure of a power of thumb

I am ready, I am ready for it /2x  
I am ready , I am ready for it all
