

Kodaline, Sometimes

I'm not looking for an answer
I just hope these words
will help whoever's listening
is someone cares to listen in

I've been up and down in life
sure every day is a chance to fight for
forever wrestling
trying to make amends again

but I break down
and I lose control
the bands don't care
cause they had a good show
I won't cry cause I am lucky I know

a restless heart
and a beautiful soul
it really doesn't matter
if I stay or go
it's hitting me hard
but I am lucky, I know

all of my friends
don't understand
maybe I am crazy
maybe I am blind
maybe we all get lost sometimes
sometimes

and every time when I am alone
I put another podcast on
it helps me slip away
keeps me learning everyday
reading books in meditation
fights away the hesitation
hanging over me
easing the anxiety

but I break down
and I lose control
the bands don't care
cause they had a good show
I won't cry cause I am lucky I know

a restless heart
and a beautiful soul
it really doesn't matter
if I stay or go
it's hitting me hard
but I am lucky, I know

all of my friends
don't understand
maybe I am crazy
maybe I am blind
maybe we all get lost sometimes
sometimes

maybe we all get lost sometimes

cause they had a good show
