

# Koffee, Lonely

Where the bassline?  
Up inna the daytime  
Had a late night  
But I never laid down  
I never stay down  
I hope your day's fine  
We should spend the day now, ayy

I'm gonna make time  
So you should make time  
And we should play  
I have nuff things to say, I  
Let's run away, we can take a vacation  
Treasure creation, okay, ayy

We'll go from land to sea, yeah  
This ain't no fantasy, darling  
Do anything you wan do  
Let me take your worries off you  
Stay right here next to me, yeah  
You're in good company, darling  
Go anywhere you wan go  
Better come back tomorrow, because

I know it's hard to trust sometimes  
But it's harder to be lonely, yeah  
So would you rather to be lonely? Yeah (Would you rather to be)  
No way  
I know you're scared to give your heart  
But you gotta get to know me, yeah  
I said you gotta get to know me, yeah

Inna the place  
Drive up inna the Benz, yeah  
Deh pon di ends  
Vibes up you and your friends, yeah  
All dem ah chat  
I say, "Ah wha happen to dem?" yeah  
All dem a chat  
I say dem cya beg no friend, yeah  
Pull up again, make we go pon di south end, yeah  
Buy coconut and go rock di boat dem, yeah  
All dem a chat  
Say we nuh worry bout friend, yeah  
Well ah nuh dat  
Me say, "Ah wha happen to dem?" yeah

You know I've got the time, yeah  
I know I'm on your mind, darling  
When are you gon come my way?  
And are we gon get to play?  
It ain't, uh, worth denying, yeah  
This was, hmm, pre-designed, darling  
I don't know what else to say  
This must be our destiny

I know it's hard to trust sometimes  
But it's harder to be lonely, yeah  
So would you rather to be lonely? Yeah (Would you rather to be)  
No way  
I know you're scared to give your heart  
But you gotta get to know me, yeah  
I said you gotta get to know me, yeah

From the other day, you take a liking to me, yeah  
Now ah me you're liking to see, okay  
Where me deh ah deh you likely fi be, yeah  
You prefer Koffee, you nuh like cerise tea, uh-huh  
Even though you might blend the tree  
Me up in the mug, the other side sensimilia  
Cya handle you 'cause I ain't no licensee  
Plus your body shot, you need a license to be, yeah

I know it's hard to trust sometimes  
But it's harder to be lonely, yeah  
Now would you rather to be lonely? Yeah (Would you rather to be)  
No way  
I know you're scared to give your heart  
But you gotta get to know me, yeah  
So you gotta get to know me, yeah, yeah, yeah, yeah, yeah

Listen me, Koffee the visionary  
Picture me visually, get a picture delivery  
You know seh me crisp from me mommy did Christen me  
And den me full up ah precision, that's why you fi prefer me  
And when you look upon me wrist and me pocket you see money  
And den me run out pon the street, wake the town, tell everybody  
Seh from me step up in the place, then it hot like say it sunny, yeah  
Do this for my brother, my granny and my mommy  
Woah, darlin'
