

KONGOS, Come With Me Now

Afraid to lose control
And caught up in this world
I've wasted time, I've wasted breath
I think I've thought myself to death

I was born without this fear
Now only this seems clear
I need to move, I need to fight
I need to lose myself tonight

Come with me now
I'm gonna take you down
Come with me now
I'm gonna show you how

I think with my heart and I move with my head
I open my mouth and it's something I've read
I stood at this door before, I'm told
But a part of me knows that I'm growing too old

Confused what I thought with something I felt
Confuse what I feel with something that's real
I tried to sell my soul last night
Funny, he wouldn't even take a bite

Far away
I heard him say (come with me now)
Don't delay
I heard him say (come with me now)
