

Kooks, Always Where I Need To Be

She don't know who she is
Oh, I can take her anywhere
Do whatever comes naturally to you
You know she just don't care
You know she just don't care

'Cause I'm always where
I need to be
And I always thought
I would end up with you eventually

Do do do dododo do do do dododo
Do do do dododo do do do dododo

Now I see her again
I have to be a hummingbird
Whisper words in her ear
Oh, You know I just don't care
You know she just don't care

'Cause I'm always where
I need to be
And I always thought
I would end up with you eventually

Do do do dododo do do do dododo
Do do do dododo do do do dododo

Oooh wohwohwoh oh I'm a man on the scene
I'm a man and I can be so obscene
'Cause I always think I know how to be
But I always thought I would end up with you eventually

Do do do dododo, do do do dododo, Do do do dododo, do do do dododo
