

# Kooks, I Love That Girl

I got of the train this evening  
To see my baby  
My baby she's blue  
But not as blue as me

'Cause I love that girl  
Yes I love that girl  
And she's with another man tonight  
And she treat me so bad  
She did she  
She kicked me out of her heart

Now listen I like this girl she  
She treats me fine  
But I don't speak to her like  
She's my kind of girl

I love that girl  
I love that girl

Yeah but I need that girl now  
'Cause she understands me  
And no one else does  
No one else does

But I love that girl  
Yes I love that girl  
I do

Ohhh but she treats me  
She treats me so  
Treats me so  
She treats me so  
Bad

Oh it's all my fault anyway

Ohhh miss Swagger  
Like Jagger

I'll just go to my girl  
And tell her how I feel  
I'm just a bad boy

Oh I need that girl  
But I stitch myself up allready  
ohh ohh ohh  
ooooh
