

# Kooks, See The Sun

Oh you can have it all and wrap it in the world  
You can have everything  
You can have love and lots of other things  
To make you think  
But when it all comes down to you girl  
Yeah no matter what you do  
Take a look at yourself and realize  
I've been good to you  
I've been good to you

Oh no! I didn't mean to say what I did say  
All about lovers and how they should lay  
That was never for me to say and say  
Don't you see now how I pay

I see the sun rising  
And all you see is its fall, fall, fall

So come on up  
Wasn't it you who said life was like a plastic cup  
To be used and then disposed of  
Yeah but thats no way to live a life like yours  
Don't you see now how i pay

I see the sun rising  
And all you see is its fall, fall, fall

For all the times i never never turned away  
And now she is there on someone else's arms (x4)
