

Kooks, Shine On

Shine On

Safety pins holding up the things that make you mine
About your hair, you needn't care: you look beautiful all of the time.

Shine, shine, shine on! Yeees
Won't you shine, shine on!

Your magazines
With people at the seams but you still read.
I must admit, I don't believe in it but I see how you get sucked in.

Shine, shine, shine on! Yeees
Won't you shine, shine on!
Cha la la la!

Shine, shine, shine on! Yeees
Won't you shine, shine on!
Because you're not done.

Why do you bite the hand that feeds you?
Why do you, why do you bite the hand that feeds?

Shine, shine, shine on! Yeeees
Won't you shine, shine on!
Cha la la la!

Shine, shine, shine on! Yeeees
Won't you shine, shine on!

Safety pins holding up the things that make you mine
About your hair, you needn't care: you look beautiful all of the time.
