

Kool And The Gang, Emergency

Emergency
Emergency, emergency
Emergency
Emergency, emergency
I need 10cc's of hot bash
A serious love reaction
Give it to me
'Cause I need your love
Woman, heal me
Feel my heartbeat
Keep this body from a dangerous overheat
Give it to me
'Cause I need your love
Emergency, emergency
I need love, I need you
I need a cure, what should I do
Give it to me, urgent
Need your love, emergency
Suddenly I'm growing so strong
With every touch baby
Of your electric body
You rescued me from the fire of heartbreak
And you're just what I should take
Thank you girl for my survival
And a love so strong
You feel so good
It's much more than physical
innocent it's oh so beautiful
You're the good I need deep in my system
Love your cool, it's so addicting
Give it to me, urgent
'Cause I need your love
Emergency, emergency
Sweet sensations passing through us
As we're making love
Give it to me, urgent
I need your love, baby
Emergency, emergency
You energize me
Standing beside me
Love and affection
Kiss and attention
Give it to me
Emergency, emergency
Emergency
Emergency, emergency
Urgent
Give it to me
Emergency
Emergency, emergency
