

Kool And The Gang, Get Down On It

What you gonna do
You want to get down
Tell me what you gonna do
You want to get down
Get down on it
Get down on it
Come on and
(Repeat)
How you gonna do if you really
Don't want to dance by standing on the wall
Get your back up off the wall
Tell me
How you gonna do if you really
Don't want to dance by standing on the wall
Get your back up off the wall
Cause I heard all the people sayin'
Get down on it
Come on and
Get down on it, if you really want it
Get down on it, You gotta feel it
Get down on it
Come and
baby baby
Get on it
I say people what
What you gonna do
You're gotta get on the groove
If you want your body to move
Tell me baby
How you gonna do it if you really
Don't want to dance by standing on the wall
Let your back up off the wall
Tell me
How you gonna do it
if you really won't take a chance
by standing on the wall
Let your back up off the wall
Cause I heard all the people sayin'
Get down on it
(Repeat)
when you're dancing
Get down on it
Get down on it
Get down on it
Get down on it
Da Da Ba Da Ba Da Ba Do
What you gonna do
Do you want to get down
What you gonna do
Get your back up off the wall
Dance come on
Dance come on
Get down on it - Come on and
Get down on it - If you really want it
Get down on it - Gotta feel it
Get down on it - Get down on it
Get down on it - Come on and
Get down on it - Baby baby
How you gonna do it if you really
don't want to dance by standing on the wall
Get your back up off the wall
How you gonna do it if you really
won't take a chance
By standing on the wall

Listen baby
