Yo I see cars driving by me looking milky and shiny

Tires made from Pirelli getting all of the heinies

Now a few of my friends they drive a Mercedes Benz

All the seats are stitched and hemmed, MCM and gold rims

The people are looking, all the ladies are hooking

All the cops get shooked, suckers?girlfriends get taken

Candy-apple Corvette, Benzy Boss in effect

And you know you get respect cause theye breaking their necks

To see your car
