Kool G. Rap, Home Sweet Home

[Kool G. Rap] Brothers on the corner sellin junk got held up by the hotties got the shotties in the trunk You got the hardrocks wavin glocks at the punks Police only harass you when they wanna get a chunk They got so many corners and they got so many spots And I can't even bump up the block without the, " Yo man, what you got?" I'm walkin past somebody lookin strange He's lookin for a hit for veins or he'll blow out somebody's brains Even the shorties livin naughty lives Walkin around, even drive around, with big forty-fives I just found out the candy store's a front They walk in the candy store Man G, candy's far from what they want You might see a pickle or a popsicle But if you step to the back, you get dimes, twenties, and nickels Honey used to look like a winner Now she can't even get took to dinner cause so many dealers ran up in her Somebody's blood is on the tar Last night was a homicide from a fight inside the bar Loudmouth tryin to show her ass, but somebody broke a whiskey bottle and cut her butt up with the glass Money got robbed for his bank They broke in his house and took everything except the kitchen sink Little man murdered on the scene He tried to come off at the liquor store, he's only 17 Granny's damn near pushin 80 A couple of hoods grabbed her pocketbook, and stabbed up the lady Cover your head, cause it's a dead zone, in the red zone Yeah, this is my home sweet home Three card molly, another man to fool Whites will stop at the red lights, to look at us like animals I'm gettin frisked by the cops They only tryin to get props, for blowin off a black man's top Up in apartment 3G, this sweetie named DiDi wants to see me but yo I heard she's givin VD Just when you think the skies are gettin blue Bang bang -- another brother's split in two Can't sleep, cause the streets are filled with danger Miss, your little daughter's a swinger, you can't change her She left with a stranger, inside a drug dealer's party Now off to the morgue, to go indentify her body Sonny boy is goin on the strip Robbin niggaz cracks, with a mac, without a clip Somebody gave a tip, so the next time he flipped and shorty got ragged, another bodybag is zipped A baby is born and needs lovin but instead, the mother smothered him and shoved him in a oven Cops killin our kids, but they bill us So what's more worse, the killer cops or the Cop Killers Everyday's another risk I'm even mad to go to my pad, the hallways always smell like piss No heat, just pots of hot water I'm walkin eight flights up, the elevator's out of order Man that landlord is the lowest Because I let my door slam and saw a damn eviction notice I felt like breakin all his bones, pssssh I'm gettin kicked out of my home sweet home *door shuts*
