Kool Keith, It Gotta Be That Way

[Kool Keith:] Yeah, global worldwide Kool.. Keith

It gotta be that way! [x3]

Girl I'm lookin at you with sheer honesty Baby fall in love with me, show me, honor me Can't let me go home tonight Make you the #1 girl, take you all over the globe Fluctuate your neck with pearls Get in the Lincoln Navigator limo Take her shoppin, make sure she get the credit card Give her everything, she wants Earl The pop star lookin off Trump Towers Gospel groups feel my presence, only God gave me the powers More incredible than David Blaine, the official one

It gotta be that way! [x3]

Add more, the center of the congregation Take you to better places The Panama Canal, to release your backed up frustration Can you handle the close dancing, grapes and wine? European suit, the best service Hugh Hefner atmosphere, bikini extravaganza Blondes feed me hors d'ouerves, at the Playboy Mansion Poolside view, E&J mixed with Perrier Larger than Dean Martin, never catch me doin "The Best Of" A compilation with the greatest hits Just count the albums, I sign myself on your greatest list

It gotta be that way! [x3]

The convention ain't started yet The camera crews, the paparazzis, the monitors WNBC, turn on your TV set More attention than Kate Hudson, gettin off a private jet Sign your autograph, limo windows go down, I love to cash my check Love to hear those voices, enough respect You know what time it is, you know what rhyme it is No strings you ask yourself partner, are you important in the music biz? Or do you know what top music is? Forget the office, if anything's real I will be callin your crib~!

It gotta be that way! [x3]
