

# Kool Keith, Shoes N Suits

"This week was unimpressive.. are you quoting me  
so you can go back and tell these people that I said so?"  
"No uh yeah I thought uh it was unimpressive too;  
cause, because."  
"Okay, thank you. I well I'd agree with anything you say  
in regards to that.. because, what's obvious is what's obvious."  
"They they feel that they're not gettin paid?"

[Kool Keith]

You heard Jeremy Lawner got shot four times in the face  
Standin on West 8th Street, two blocks from Park Place  
It was a set up, professionally how he got wet up  
Closed casket service; the guy said he jerked Eminem, and Coolio  
plus Korn - machine guns had his ligaments torn  
Police asked me what happened, I don't know I'm steady rappin  
Excuse me as a suspect, that's a hot lie  
I did not give a man a gun, (??) papaya  
I was home down South, that's what he get, street connections  
Sam bit it, I'm not it, the kid was runnin his mouth  
Order in the court, did you or did not shoot this man?  
What I heard, booking agencies giving loot to this man  
Check my fingerprints, my hair never touched that gun  
I never spoke to anyone, the F.B.I.'s at my house

[Chorus x2: Kool Keith]

Shoes n suits! Shoes n suits!  
Supreme Court..

[Kool Keith]

Investigators ridin on my elevator for questionin  
I'm just a plain MC, why do y'all wanna see me  
I have no clue about what that person went through  
Is it true that y'all was gonna tell us  
who was gonna cut his hands off  
Leave the body rottin for 3 days in the back of a Wendy's Drivethru  
Look for my fingerprints, what did I do?  
Narrator of a true story  
To write somethin fake, would bore me  
I babysit three kids, you guys act like y'all never saw me  
The D.A. said, "Keith you're not guilty"  
but the dead client's mouth was filthy  
Gun from Virginia registered under Silky  
"Keith do you recognize these pictures?"  
8 suspects from the projects  
No I never seen these people in my life  
I don't recognize them your honor

[Chorus]

[Kool Keith]

So he ain't callin shots for you, I got respect  
I just turned down a major label project  
Witnesses say you're carryin a mac-10 semiautomatic, a black object  
Check my house, just a Chia pet  
7:30 when he was shot - I wasn't travelin  
He was on the first class with two men, on a Continental airline jet  
The prosecutor says I'm innocent  
That's somebody else's glove by the steps  
Is it true, that part of your crew  
wanted to set this man on the couch,  
light a match, pour gasoline in his lap and set him on fire?  
Connect his 500 Benz to a phone-tap wire  
Breakin his window glass like an armed Goldie with a hockey mask

With two forty-four Magnums, one in his mouth, one in his ass  
His relatives ties with three links to his murder  
I never heard of, but in Philly he tried to scam Roger Troutman  
Sharpshooters hit him point blank on the side of his celly phone ear  
Bullets hit his rearview mirror  
Shots rang out from a Cadillac Catera  
The guy made a bad error

[Chorus x1.5]
