Keepin my fingers wrapped around the joint in case niggaz

One by one they losin down the line  
A fifty buck roll, a duck blows, old nigga pay me mine! (&quot;Damn nigga!&quot;)  
I grab the dice, place your price, all you men are mice  
Riffin as I'm sippin on a Heineken and gettin nice  
I shake em up they papas are gettin dead, nigga sittin on a Beretta

Now the game is surrounded by some money hungry bitches  
I put the kisses on my fists and rolled the triple sixes  
And once again it be the point, that I shoot
