* Everybody stand up and sing, and say I love You (2x)
Stand up and sing (stand up and sing), oh yeah (2x)

Take this time to open you heart
Show your feeling right from the start
Now's the time to spread love around
Show your thanks when your dreams are found
That's why I'm saying

Repeat *

** Look around at the world it's so fine
All these things were made for You and I
If you try a little peace you and it was meant for me
That's why I'm saying

To the one your love.. yeah (come on)

Live your life and love who you are
Cause all of us were born to go far
Spread your love around everywhere
Let somebody know that you care baby
