

Koop, Whenever there is you

Whenever there is you
To hold my hand
I find a way to be true
And change my play
So, please
Let our life begin now
Say you will stay with me
And be my man
Whenever there is you
When there is you
When there is you
Whenever there is you
So, please
Let our life begin now
Say you will stay with me
And be my man
Whenever there is you
To hold my hand
I find a way to be true
And change my play
Whenever there is you
When there is you
When there is you
Whenever there is you
