

# Korgle, Don't Look Back

Down on luck  
I can hardly say  
I'm down on luck  
I've monopolized  
Your life too long  
I know that certainly  
Something's going wrong  
Times are tough  
I can hardly say  
That times are tough  
But all around us  
Friends are so confused  
And you have so much to give  
And nothing to lose

(chorus)  
Don't look back  
Walk away  
Burn the past  
Live today  
People change  
Who cares why?  
Don't grow old  
You never die.

Celebration  
Beinf alive was cause  
For celebration  
But I'm obliged to say  
I feel so sad  
They'll lose  
The optimist supposedly mad  
You know you'll be all right  
Don't you worry  
Cause you know  
You'll be all right  
There's one thing  
You must believe  
I love you  
Here alone, tonight  
I really do...

(chorus)
