Korn, Beg For Me

Everyone is looking at me.
I can't get out of bed.
There is evil in my head.
Everyone just let me be.
Because when I hit the stage.
It is gone and I am free.
Goddam you say you'll get up for me.
You're the crowd, come on give it back to me.
You won't beg for me, beg for me, beg for me.

Goddam you say you'll get up with me.
You're the crowd, come on give it back to me.
You won't beg for me, be there for me, beg for me.

Tell me, how could this fade?
I am going in shame.
And I could not have my pain.
Everyone please let me be.
Because when I hit the stage
It is gone and I am free.

Goddam you say you'll get up with me.
You're the crowd, come on give it back to me.
You won't beg for me, beg for me, beg for me.

Goddam you say you'll get up with me.
You're the crowd, come on give it back to me.
You won't beg for me, be there for me, beg for me.

I feel the shame.
I'm not insane.
The things I feel now.
Arent the same.
Who gives a fuck..
If my life sucks?
I just know one day.
I won't give up.

Everyone just let me be.

Goddam you say you'll get up with me.
You're the crowd, come on give it back to me.
You won't beg for me, beg for me, beg for me.

Goddam you say you'll get up with me.
You're the crowd, come on give it back to me.
You won't beg for me, be there for me, beg for me.

Be there, for me.
