

# Korn, Blind (Demo Version)

Are you ready!?

This place inside my mind, a place I'd like to hide  
You don't know the chances.. What if I should die?  
A place I'd like to find, a different stay all right  
You don't know the chances.. I'm so blind  
Blind [x2]

Another place I find, to escape the pain inside  
You don't know the chances.. What if I should die?  
A place inside my brain, another kind of pain  
You don't know the chances.. I'm so blind  
Blind [x2]

Deeper and deeper and deeper is all I'm turning to  
Living a life that seems to be, a lost reality  
That can never find, a way to reach my inner  
Self-esteem is low, how deep can I go?  
In the ground that I lay, if I don't find a way to  
See through the grey that clouds my mind  
This time I look to see what's between the lies

I can't see, I can't see  
I'm going blind [x12]  
I'm blind [x4]
