

# Korn, Can You Hear Me

he walks with me  
it takes it's time  
it seems to ..  
one on a time  
love to ..  
loves my past  
..

Can you hear me  
cause I am lost  
and I am will never come back again  
and when my heart keep rolling down  
I know I'll never be the same again

it talks to me  
hold my hand  
I shout on me  
thinks I cannot understand  
it have no reason  
it's no time  
it's constantly watching  
so...

Can you hear me  
cause I am lost  
and I am will never come back again  
and when my heart keep rolling down  
I know I'll never be the same again  
Can you hear me  
cause I am lost  
and I am will never come back again  
and when my heart keep rolling down  
I know I'll never be the same again

you know, I'll never be the same again  
you know, I'll never be the same again  
you know, I'll never be the same again  
you know, I'll never be the same again

Can you hear me  
cause I am lost  
and I am will never come back again  
and when my heart keep rolling down  
I know I'll never be the same again  
Can you hear me  
cause I am lost  
and I am will never come back again  
and when my heart keep rolling down  
I know I'll never be the same again
