Korn, Counting On Me

Why can't you ever back down?
Why can't you just shut your face?
Oh god the feelings I feel
Would get me thrown in a cage
You're the one who's always screaming at me
I'm the one that keeps your lives so care free
What the fuck more do you want me to be?
Why must you do this to me?

Run away, I can't see
Lead the way, make them pay

Counting, on me.
Always hoping I'll be
There for all of your problems
and in turn you're never there for me
You sucked the life out of me
You hate everything you see
I can't take this anymore
I always stay when I should leave

You see the pain in my face
While you keep putting me down
Inside the rage starts to build
You push me I won't go down
You're the one who's always screaming at me
I'm the one that keeps your lives so care free
What the fuck more do you want me to be?
Why must you do this to me?

Run away, I can't see
Lead the way, make them pay

Counting, on me.
Always hoping I'll be
There for all of your problems
and in turn you're never there for me
You sucked the life out of me
You hate everything you see
I can't take this anymore
I always stay when I should leave

Could it really be the day, today?
Could this really make the problems go away?
I'm going to hurt just not in time

Right now!
- I take in all I can now
Right Now!
- You've torn us all part
Right Now!
- There is nothing you can do to stop me
Right now [x9]

Counting, on me.
Always hoping I'll be
There for all of your problems
and in turn you're never there for me
You sucked the life out of me
You hate everything you see
I can't take this anymore
I always stay when I should leave [x2]
