

# Korn, Did My Time

Realized I can never win  
Sometimes I feel like I have failed  
Inside where do I begin  
My mind is laughing at me  
Tell me why am I to blame  
Aren't we suppose to be the same  
That's why I will never tame  
This thing that's burning in me

I am the one who chose my path  
I am the one who couldn't last  
I feel the life pulled from me  
I feel the anger changing me

Sometimes I can never tell  
If I've got something after me  
That's why I just beg and plead  
For this curse to leave me  
Tell me why am I to blame  
Aren't we suppose to be the same  
That's why I will never tame  
This thing that's burning in me

I am the one who chose my path  
I am the one who couldn't last  
I feel the life pulled from me  
I feel the anger changing me

Betrayed  
I feel so enslaved  
I really Tried  
I did my time  
I did my time  
I did my time  
I did my time  
I did my time

I am the one who chose my path  
I am the one who couldn't last  
I feel the life pulled from me  
I feel the anger changing me

Oh God, the anger's changing me [x2]
