

Korn, Dirty (Clean)

Keep knocking
No One's There
Pouring down
Near be felt.

I'm out here
By myself
All alone.

I hurt so bad inside
I wish you could see the world through my eyes
Each day is the same
I just wanna laugh again.

Keep hoping
Nothing to spare
So my life
Isn't quite there
I Feel like a whore
A dirty whore
Such a whore
Dirty...

I'm out here
By myself
All alone.

I hurt so bad inside
I wish you could see the world through my eyes
Each day is the same
I just wanna laugh again
I just wanna laugh again.

I'll take it
I'll take it
I will take it
Give it to me.

You dirty little (...)
Dirty little (...)
You dirty little (...)
Dirty little (...)
Dirty little (...)
I will take it
Dirty little (...)
I will take it
You dirty little (...)
I will take it
Dirty little (...)
I will take it.

I hurt so bad inside
I wish you could see the world through my eyes
Each day is the same
I just wanna laugh again.
I just wanna laugh again.
I just wanna laugh again.
I just wanna laugh again.
I just wanna laugh again.
