

Korn, Evolution

I'm digging with my fingertips
I'm ripping at the ground I stand upon
I'm searching for fragile bones
Evolution
I'm never gonna be refined
Keep trying but I won't assimilate
Should we have come far in time?
Watch the bow break

And I'm sorry, I don't believe
by the evidence that I see
that there's any hope left for me
It's evolution
just evolution

And I
I do not dare deny
the basic beast inside
It's right here, it's controlling my mind
And why
do I deserve to die?
I'm dominated by
this animal that's locked up inside

Close up to get a real good view
I'm betting that the species will survive
Pull back, I'm getting inside you
Evolution
And when we're gonna find these bones
They're gonna wanna keep them in a jar
The number one virus caused by
Procreation

And the planet may go astray
In a million years I'll say
Those muthafuckers were all deranged
It's evolution
just evolution

And I
I do not dare deny
the basic beast inside
It's right here, it's controlling my mind
And why
do I deserve to die?
I'm dominated by, this animal that's locked up inside

Take a look around
Nothing much has changed

I
I do not dare deny
the basic beast inside
It's right here, it's controlling my mind
And why
do I deserve to die?
I'm dominated by, this animal that's locked up inside

Why, why do I deserve to die!
