Korn, Falling Away From Me (Live)

Hey I'm feelin' tired My time is gone today You flirt with suicide Sometimes that's okay Do what others say I'm here standing hollow Falling away from me Falling away from me

The day is here fading That's when I'm insane I flirt with suicide Sometimes kill the pain I can't always say It's gonna be better tomorrow Falling away from me Falling away from me

Beating me down Beating me beating me Down, Down Into the ground Screaming some sound Beating me beating me Down, Down Into the ground

Falling away from me It's spinning round and round Falling away from me It's lost and can't be found Falling away from me It's spinning round and round Falling away from me Throw it down

Beating me down Beating me beating me Down, Down Into the ground Screaming some sound Beating me beating me Down, Down Into the ground

Trust in me Then walk away So I pray Go away

Life's falling away from me It's falling away from me Life's falling away from me FUCK!

Beating me down Beating me beating me Down, Down Into the ground Screaming some sound Beating me beating me Down, Down Into the ground Falling away from me Beating me beating me Falling away from me Down, down Into the ground Falling away from me Screaming some sound Beating me, beating me Falling away from me Down, Down Into the ground.
