Korn, From Your Heart

So I think you are a fool Hanging on my every word It's getting ugly So I'm ugly

Tear me from your heart Tearing me apart

So I thought you disappeared Being alone is what you fear Are you lonely? Yes lonely

Tear me from your heart Tearing me apart

Rolling, and throwing, consoling Everything that goes this far Joking and hoping, revolting All that shit that's who you are Hoping, and scolding, revolving Peel it back, reveal the scar Loathing, exploding, controlling This is what you really are

The time is coming
God is saying
You're really happy
What a game
The time is coming
A bed of flames
Your life is over and you're to blame
The time is coming
You've gone insane
You're feeling happy
You've won the game
The time is coming
A bed of flames
Your life is over and you're to blame

Rolling, and throwing, consoling Everything that goes this far Joking and hoping, revolting All that shit that's who you are Hoping, and scolding, revolving Peel it back, reveal the scar Loathing, exploding, controlling This is what you really are
