

# Korn, Fuck That

Y'all want a single say fuck that  
Fuck that, fuck that  
Y'all want a single say fuck that  
Fuck that, fuck that  
Y'all want a single say fuck that  
Fuck that, fuck that  
Y'all want a single say fuck that  
Boom Boom Boom Boom  
What's going on today?  
We gotta break away  
We got a problem and  
I think it's going to make us go down  
They think we're all the same  
And always we're to blame  
For shit I think is lame  
It's time to stop the game  
I think it's time to pay for everything you made me say  
Y'all want a single say fuck that (Fuck that)  
Fuck that, fuck that (Fuck that)(x4)  
What's going on today?  
Why must it be this way?  
We're going nowhere and  
We're still knocking the need to bow down  
They think we're all the same  
And always we're to blame  
For shit I think is lame  
It's time to stop the game  
I think it's time to pay for everything you made me say  
Y'all want a single say fuck that (Fuck that)  
Fuck that, fuck that (Fuck that) (x4)  
We are the ones breaking you down  
We are the hope to drown out your sounds  
All across the world you've fed what you found  
All across the world you're breaking you down  
Y'all want a single say fuck that  
Fuck that, fuck that shit! (x4)  
Fuuuuuuuuuuuuuck  
Y'all want a single say fuck that  
Fuck that, fuck that (x2)  
Y'all want a single say fuck that (Fuck that)  
Fuck that, fuck that (Fuck that) (x4)
