

# Korn, It's Me Again

I shred your bullshit poetry  
Yes, it's me again  
I wreck your positivity  
Yes, it's me again  
I fuck it to watch it bleed  
I kick it to make it scream  
I am the alternate choice  
To some stray life I'm not saying

[Chorus]  
You see beauty, I see pain  
You see sky, and I see acid rain  
It's me again

I rip your throat out on a whim  
Yes, it's me again  
I only ask for everything  
Yes, it's me again  
I squeeze it to feel it breathe  
I smash it to fuel this need  
I am the antidote for  
Whatever sickness you feed

[Chorus]  
Little miss fucker don't move an inch  
Y'all punk suckers cant take the heat  
Your blood rushing from head to feet  
This is what I stand for  
All injustice thats done to man  
All you fuckers know who I am  
I'm living proof that you can  
Turn around and say it's me again  
Fuck!

[Chorus]
