

Korn, Let's get this party started

When it's crying
Take me on second place
Which you don't often find
I see a family walking
Always thinking of
Being somewhere else in time
So I fall face
In a rut
I can't seem to get out of
Please wake me
Please give me some of me back
The feelings I had
Sometimes I wish
I could be strong like you
It doesn't matter
Each time I wake
I'm somehow feeling the truth
I can't handle
Let's get this party started
I'm sick of begging you
You make me feel inside
Which I did to you
Let's get this party started
You make me feel inside
I want to be the one
To make myself sigh
Time is ticking
It makes me feel content
With what I have inside
Constant paranoia
Surrounds me
Everyone I see
Is out to get me
So I fall face
In a rut
I can't seem to get out of
Please wake me
Please give me some of it back
The feelings I had
Sometimes I wish
I could be strong like you
It doesn't matter
Each time I wake
I'm somehow feeling the truth
I can't handle
Let's get this party started
I'm sick of begging you
You make me feel inside
