

Korn, Make Me Bad (Clean)

I am watching the rise and fall of my salvation
There's so much ---- around me
such a lack of compassion
I thought it would be fun and games
It would be fun and games
Instead, It's all the same
It's all the same
I want something to do
Need to feel the sickness in you

I feel the reason as it's leaving me, no, not again
It's quite deceiving as I'm feeling the flush made me bad

All I do is look for you
I need my fix, you need it too
Just to get some sort of attention, attention
What does that mean to you?
What does it mean to you?
For me, It's something I just do
I just do
I want something
I need to feel the sickness in you

I feel the reason as it's leaving me, no, not again
It's quite deceiving as I'm feeling the flush made me bad
I feel the reason as it's leaving me, no, not again
It's quite deceiving as I'm feeling the flush made me bad

I feel the reason as it's leaving me, no, not again
It's quite deceiving as I'm feeling the flush made me bad
Does it make me bad?
I feel the reason as it's leaving me, no, not again
Does it make me bad?
It's quite deceiving as I'm feeling the flush made me bad

Does it make me bad?
Does it make me bad?
Does it make me bad?
Does it make me bad?
