

# Korn, Need To

I, I am confused, fighting myself  
Wanting to give in, needing your help  
Skin cold with fear, feel it when we touch  
Outside I don't know you, but inside I'm fine (fucked)

Can you see it in me?  
Skin cold from touch  
Each day confronted with what I have done  
You pull me closer, I push you away  
You tell me it's okay, I can't help but feel the pain

I hate you!  
Why are you taken?  
I love you!  
I feel so helpless  
Why is it you?  
Ripping my insides each time I'm with you  
Why do I try?  
Why do I really need to?  
Why!! Why!! Why!! Why!!  
Fuck you, bitch!  
Need to [x3]. . . fuck [x4]. . .  
Slut

I hate you!  
Why are you taken?  
I love you!  
I feel so helpless  
Why is it you?  
Ripping my insides each time I'm with you  
Why do I try?  
Why do I fucking need to?  
Fuck . . . fuck . . . fuck . . . fuck . . . fuck . . . fuck . . .
