

# Korn, Right Now (Live)

I'm feeling mean today  
My life's not thrown away  
Just irritated and quite hated  
Self control breaks down.  
Why's everything so tame?  
I hate my life insane.  
I'm barricading and debating who I'm gonna kick around.

Right Now  
Can't find a way to get across the hurt when I see you  
Right Now  
I feel this scratch inside, I wanna slash and beat you.  
Right Now  
I rip apart the things inside that excite you  
Right Now  
I can't control myself, I fucking hate you!

I'm feeling cold today  
Not hurt, just fucked away.  
I'm devastated and frustrated  
God I feel so bound.  
So what? I feel the need  
I think it's time to bleed.  
I'm gonna cut myself and watch the blood hit the ground.

Right Now  
Can't find a way to get across the hurt when I see you  
Right Now  
I feel this scratch inside, I wanna slash and beat you.  
Right Now  
I rip apart the things inside that excite you  
Right Now  
I can't control myself, I fucking hate you!

You open your mouth again,  
I swear I'm gonna break it.  
You open your mouth again,  
My God I cannot take it.

Shut up, Shut up,  
Shut up, I'll fuck you up. [x6]

Right Now  
Can't find a way to get across the hurt when I see you  
Right Now  
I feel it scratch inside, I wanna slash and beat you.  
Right Now  
I rip apart the things inside that excite you  
Right Now  
I can't control myself, I fucking hate you!

I fucking hate you! [x4]  
I fucking hate you, shut up! [x3]  
Shut up!
