

# Korn, This Town (Ft. Kittie)

This town is our town, so motherfucking glam

We all know the chosen toys,  
The caddy girls,  
And pretty boys  
Make up that face to win the race.  
Life's a prick in this town.  
Suck my dick in this town.

This town is our town  
It is so glamorous,  
I'd bet you'd live here  
If you could  
And be one of us.  
This town is our town,  
So fucking glamorous  
I'd bet you'd live here  
If you could  
And be one of us. x2

Change our minds  
Like we said before,  
We're all dreamers,  
We're all whores.  
Discarded scars like worn out cars  
Litter the streets of this town.

This town is our town  
So fucking glamorous,  
I'd bet you'd live here  
If you could  
And be one of us.  
This town is our town,  
So motherfucking glamorous,  
I'd bet you'd live here  
If you could  
And be one of us.

Break it down boys.  
Human Waste in the house (x3)  
Here we fucking go.

This town is our town,  
So fucking glamorous  
I'd bet you'd live here  
If you could  
And be one of us.  
This town is our town  
So motherfucking glamorous  
I'd bet you'd live here  
If you could  
And be one of us.
