

# Korn, Twist/Chi (Live)

Pain!

Buried so far away

Enter my life of nothing

Sick of the same ol' thing,

so I dig a hole, bury pain!

Sick of the same ol' thing,

so I dig a hole, bury pain!

I am so high, always

Burying my life so slowly

chorus

It opens my mind to feelings

Can't face bottom without something

chorus

It opens my mind to feelings

Can't face bottom without something

chorus

We enter in my head

Feeling like I'm God

With the world around me

Can't you feel this pain?!

reaming through my heart!

screaming through my veins!

nothing I can kill!

screaming a lie! !! Am!

Can't you feel my eyes out

Can't you take my heart. . . away

To heart

Good-bye

chorus
