

# KorovaKill, Blue Thrones...

Below the bleeding Mermaids  
Blue thrones the Skull Palace  
Two Tower-Horns, one grinning Gate  
Into these Jaws I'm swallowed

In pale white Halls of Marble  
Stare Faces carved in Stone  
Parades of sleeping Statues  
So still, but for how long?

And here all Time is frozen  
And here all Pain is stunned  
These silent Walls just waiting  
For one Drop of my Blood
