

Korpiklaani, Let's Drink

Little red house, potato field
little forest, lake as far as you can see
Woodshed, for my homebrewed beer
perfect place for drunkards like me

Never gonna give up my rugged life
never sell my infertile soil
Never gonna give up this simple style
let's drink and enjoy

Disappointment is who I live with,
gret grief only mate from then,
every morning pangs of remorse
but it's so familiar like my old black horse

Never gonna give up my rugged life
never sell my infertile soil
Never gonna give up this simple style
let's drink and enjoy
