

Korzus, Guity Silence

You get mad
Hes a terrible waste
Hate is buried
in your chest
The screams are face to face

Guilty(guilty)
Silence(silence)
Terror(terror)
And blooooood

The screams of victims
Echo in your brain
Youre broken
youre dead
and fill your soul with dread

Guilty(guilty)
Silence(silence)
Terror(terror)
And blooooood

Traumatism
Cannibalism
are flooding your mind
Mutilation
The facism
A tongue the purple with lies

Guilty(guilty)
Silence(silence)
Terror(terror)
And blooooood
