

# Korzus, Ties Of Blood

World!  
World!  
I'm crazy  
World!  
World!  
Ties of blood

Songs of anguish  
Suffer without rest  
Invoke the heavens  
And cry out for mercy

To change your destiny  
To dream in vain  
There is no light  
The world is living in pain

I won't speak of flowers  
I'll just speak of blood  
The chances are few  
In this world

World!  
World!  
I'm crazy  
World!  
World!  
Ties of blood

Songs of anguish  
Suffer without rest  
Invoke the heavens  
And cry out for mercy

I see the crisis  
That can't be delayed  
Inforgiving chaos  
Cannot be refrained

I won't speak of flowers  
I'll just speak of blood  
The chances are few  
In this world

World!  
World!  
I'm crazy  
World!  
World!  
Ties of blood
